

CREATING IBM CLOUD SERVICE

Date	26 OCTOBER 2022
Team ID	PNT2022TMID10501
Project Name	GAS LEAKAGE MONITORING AND ALERTING SYSTEM FOR INDUSTRIES

The screenshot displays the IBM Cloud dashboard in a web browser. The browser's address bar shows 'cloud.ibm.com'. The dashboard header includes the 'IBM Cloud' logo, a search bar, and navigation links for 'Catalog', 'Manage', and 'Kathiravan V's Account'. The main content area is titled 'For you' and features a horizontal carousel of recommended resources. The first resource is 'Build', which includes a sub-section 'Explore IBM Cloud with this selection of easy starter tutorials and services.' Other resources in the carousel include 'Explore DevSecOps on IBM Cloud', 'Explore IBM Cloud Shell', 'Browse solution tutorials', 'Create a custom dashboard', and 'Explore...'. Below the carousel, there are three main sections: 'User access' with a 'Manage users' link and a text input field for email addresses; 'News' with a 'View all' link and a list of recent news items including 'IBM Cloud Satellite New Pricing', 'IBM Cloud Data Shield Deprecation', and 'IBM Watson Orchestrate Is Integrating with ThisWay Global'; and 'Planned maintenance' with a 'View all' link. The bottom of the image shows the Windows taskbar with the search bar and several application icons, and the system clock indicating 12:36 AM on 11/17/2022.
